

Technical drawing of a vertical rectangular plate. The drawing shows two parallel vertical lines representing the edges of the plate. A horizontal dimension line at the bottom indicates a width of 0.25. A vertical dimension line on the right indicates a height of 6.00. A horizontal dimension line near the bottom right indicates a distance of 0.125 from the right edge to the centerline. A vertical dimension line on the right indicates a distance of 5.83 from the bottom edge to the centerline. A blue horizontal line segment is drawn at the center of the plate, extending from the left edge to the centerline.
